EDUCATION

DES Navinchandra Mehta Institute of Technology and Development

Master of Computer Application - **Percentage – 71.14%**

2023-2025

Dadar, Mumbai

K. P. B. Hinduja College of Commerce College

Bachelor of Computer application- **Percentage- 73.50%**

2019-2022

Marin Line, Mumbai

Nirmala memorial foundation College

H.S.C (Commerce) - **Percentage- 64.15%**

2017-2019

Mumbai

Thakur Shyamnarayan High School, Kandivali

S.S.C - **Percentage- 76.40 %**

2016-2017

Mumbai

SKILLS

Work Ethic: Time Management, Team work, Communication, Attention to detail, Agile and scrum exposure.

Tech Stack: JAVA, SQL, MYSQL, JSP, Servlet, OpenAI API, RESTful APIs, Maven, JSON, Spring Boot, Spring AI.

Experience

Software Development Intern – QSpiders

Duration: 6 Months | **Mode:** Offline Internship

Description:

- Completed a **comprehensive training and internship program** at QSpiders, focusing on **Core Java, SQL, Manual Testing**.
- Gained **hands-on experience** in developing and debugging Java-based web applications using **JSP, Servlets, and JDBC**.
- Worked on **mini-projects** involving CRUD operations, database connectivity, and MVC-based architecture in **Eclipse IDE**.
- Learned and practiced **software testing principles**, including test case design, defect reporting, and SDLC models.
- Strengthened problem-solving and debugging skills through **real-world coding assignments** and **mock interviews** conducted by industry trainers.

PROJECTS

➤ AuraPrep – AI Mock Interview Platform

Technologies: Next.js 14, Tailwind CSS, Shadcn/ui, Firebase, Vapi.ai/Google Gemini, JavaScript, GitHub Actions, Vercel

- Designed and developed an **AI-powered web application** for conducting realistic, on-demand mock interviews tailored to different job roles.
- Implemented **voice-based interaction** where users can answer AI-generated questions and receive **real-time performance feedback and scoring**.
- Integrated **Firebase** for authentication, Firestore database, and secure data storage, ensuring a seamless and reliable user experience.
- Utilized **Vapi.ai/Google Gemini APIs** for dynamic question generation, feedback analysis, and live transcription.
- Deployed the full-stack application on **Vercel** with **CI/CD automation via GitHub Actions** for continuous integration and deployment.
- Built using **serverless architecture** for scalability and low-latency performance, and structured with **modular Next.js components** for maintainability and future enhancements.

➤ **Tikkit Portal**

Technologies: JSP, Servlets, Java, JDBC, HTML/CSS, Eclipse IDE, MySQL

- Designed and developed a web-based ticket booking application using **Java, JSP, and Servlets** on the **Eclipse IDE**.
- Enabled users to search, reserve, and manage bookings for various services like **flights, trains, buses, and movie tickets** through a clean and intuitive UI.
- Implemented backend functionality for **real-time ticket availability**, user authentication, and secure transaction handling using **JDBC and MySQL**.
- Focused on creating a **modular, maintainable codebase** with MVC architecture for better scalability and code organization.

➤ **Smart Research Assistant**

Technologies: Spring Boot, Spring AI, OpenAI API, RESTful APIs, Java, Maven, JSON, HTML/CSS

- Developed an AI-powered Smart Research Assistant to automate research and summarize content from various sources using natural language processing.
- Integrated **Spring AI** and **OpenAI APIs** to fetch and generate research insights based on user queries.
- Built a responsive REST API backend with **Spring Boot**, ensuring high scalability and performance.
- Implemented secure user input handling and error logging for a robust and reliable application.

CERTIFICATION

- | | |
|--|---------------------|
| • Programming In Java [NPTEL Certification] | <i>April 2024</i> |
| • Essential RPA Professional [Automation Anywhere] | <i>July 2024</i> |
| • Database Management System [Swayam INI Certification] | <i>October 2024</i> |

Positions of Responsibilities Held

- **Event Head** for college event “**Roobaroo 2024**” at **DES NMITD**.
- Actively contributed as a **volunteer** in the **Escort Committee** for the Senior convocation ceremony.
